

December 24, 2019

Dear Mr. Trichtinger and Ms. Sersha,

Thank you for your letter of November 26, 2019 regarding the Philadelphia Academic Health System's (PAHS) June 2019 bankruptcy filing and its impact on the insurance coverage of affected residents, fellows and attending providers. The Pennsylvania Insurance Department (PID) shares your concern regarding this issue, as does the entire Wolf administration as demonstrated by the motion filed by the Department of Health in the bankruptcy proceeding aimed to resolve this issue. The PID is following the bankruptcy proceeding closely and supports the motion that the Department of Health filed.

Given the importance of understanding the position of the court in this matter before considering alternative solutions, the PID's evaluation of your request must await the resolution of this active litigation. We look forward to being back in touch with you when the outcome of the court proceedings is known.

Please contact me or my Staff if you would like to discuss this further.

Sincerely,

A handwritten signature in blue ink that reads "Jessica K. Altman". The signature is written in a cursive, flowing style.
