

# PAMED Election Nomination Form

**Name:**

Keith Pasichow

**City/Town:**

Philadelphia

**What Position are you running for:**

Early Career Physician Section - Member at Large (2 positions)

**Why should you be elected to this position**

As an early career physician who has been out of training for a few years I have a sense of what type of support my fellow young physician colleagues need. I am well positioned to advocate for these members and their needs within the organization, and at the state and national level, both legislatively and within professional societies. I believe very strongly in the mission of the PA Medical Society and look forward to being able to participate as a young physician in their efforts.
