

PAMED Election Nomination Form

Name:

Malika Gill

City/Town:

Philadelphia

What Position are you running for:

Resident & Fellows Section - AMA RFS Slotted
Alternate Delegate (AMA RFS Section)

Why should you be elected to this position

I believe I should be elected to this position as I have spent time working in different healthcare systems around the world, prior to my decision to pursue my Internal Medicine Residency in Philadelphia. I have worked in both tertiary and community hospitals and have continuously made an effort to advocate for my peers in the community. Although I don't have direct experience working at a position like this before, I believe I can learn quickly and contribute to the residency community.

Would you like us to include a photo of you?

How long have you been a PAMED member?

1 year
