

PAMED Election Nomination Form

Name:

Riddhi Shah

City/Town:

Monroe Township

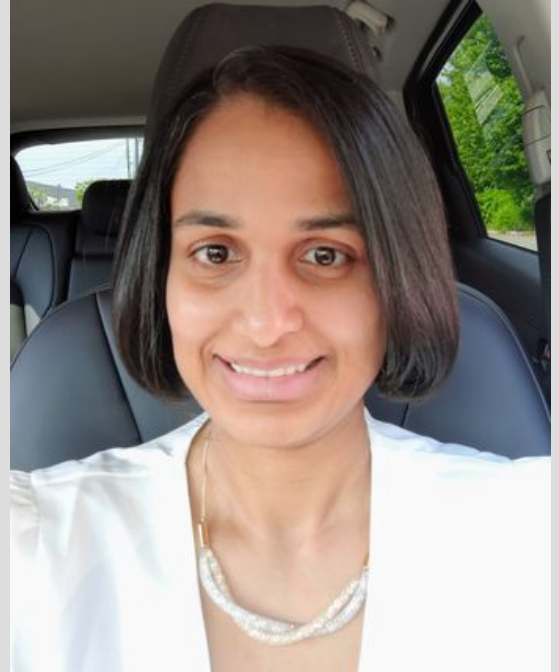

What Position are you running for:

Womens Physician Section - District 12

Why should you be elected to this position

I've been a member of WPS since the inaugural cohort and have been inspired by the changes made by my fellow women, not only in their hospitals but also in their communities. I've learned a lot from everyone I've interacted with and have taken those lessons back to the meetings I have within my hospital. Looking forward to continuing to be a part of this energizing community.
