Create an Account

4. If you need to Create an Account, refer to the following screen shots/instructions highlighted in blue. Otherwise, skip to Step 5 to proceed with your registration.

Create An Account

Please enter your name, email address and date of birth to create an account or find an existing account.

<i>First Name</i>	Snow	*
<i>Last Name</i>	White	*
<i>Email Address</i>	snowwhite@gmail.com	*
<i>Date of Birth</i>	1/1/2010	*

- Enter your first name, last name, date of birth, and your email address (cannot be a shared account, ie a business email that is shared by multiple people.
- Then select the “Get Started” button in the low lefthand side of the screen.
- When the notification appears that your record was not found in the database, click on the “Create Account” box to continue.

Search Results

You are currently not in our database. Please click "Create An Account" to complete this simple 1-minute process to create a new account.

Create Account

PLEASE NOTE!

If your name is in the list above, creating a new record can potentially result in:

- Loss of your CME history
- Interruption of your CME access

Please review the list of name(s) to be sure you are NOT on it. Continue with Create Account only if you are not in the list. Otherwise, please click Contact Us.

- Confirm the basic required personal information, login information, mailing address, and phone number. Select **NON-PHYSICIAN** as your “Individual Type” if you are not a physician. See below.
- Skip the “Physician Information” section if you are not a physician.
- Click the “Continue” button to save your account.
