

Cynthia Nation MBA-HCA

Cynthia (Cyndi) Nation is a Senior Risk Management Specialist for the NORCAL Group. She has over 28 years of healthcare experience which include clinical operations, executive leadership and risk management workmanship, particularly in the specialties of Endocrinology, Orthopaedic-Spine Surgery, Neurology, Pain Management and Radiology.

Cyndi received her Master of Business in Healthcare Administration (MBA-HCA) from South University of Georgia and held a license for Healthcare Risk Manager through the state of Florida.

Her various healthcare roles provided the experience and knowledge necessary to identify ambulatory healthcare risks which enabled her to provide structured risk management protocols for medical offices and surgical centers in several states including Florida, Arizona, Texas, Pennsylvania, Oklahoma, Missouri and Ohio. Her expertise includes operational design for multi-state ASCs, development of corporate compliance programs, including state and national regulatory requirements and PSO integration, staff and provider education and operational oversight.
