

Join us for PAMED's First Hybrid House of Delegates Meeting!

After two years of providing the House of Delegates (HOD) meeting virtually due to the COVID-19 pandemic, PAMED is proud to offer our HOD Meeting (happening Saturday, October 22, 2022) in a hybrid format.

What does that mean for our delegates?

You have a choice to make by September 22, 2022!

Do I want to participate in-person on-site at the Hershey Lodge?

Delegates participating in the HOD meeting in-person will participate in the meeting at the Hershey Lodge on-site.

Do I want to remain at home and participate virtually connecting via a Zoom link and my laptop?

Delegates participating virtually will log in using a Zoom link received from the Pennsylvania Medical Society.

For those joining us on-site, please come a bit early—Friday, October 21 at 4 p.m. to participate in our exciting CME program with *Jeff Evans, Adventurer, Expedition Leader, Author, and Physician Assistant.*

► All participants regardless of where they are (on-site at the Hershey Lodge or participating via the Zoom link) will;

- Register to tell us that you are participating and whether you'll be at the Hershey Lodge in-person or online. Registration will open the week of August 8 and will close on September 22.
- Be asked to participate in training—watch for more details on this in the near future!
- Vote on resolutions using the same online mechanism.
- Be able to speak during the parliamentary process.
- Participate in the elections using "Election Buddy" just like in years past.
- Mark your calendar to provide testimony virtually to the reference committees ahead of the HOD! Visit www.pamedsoc.org/HODSchedule for a complete list of dates.

For all updates, go to the HOD website and be sure to sign up for HOD alerts to receive all the latest updates and reminders.
